BIMBA Y LOLA TURNS 16 “FROM VIGO TO THE WORLD”

Vigo, 8 April 2021

BIMBA Y LOLA turns 16 years old.

This is a year the Group will use to celebrate the journey since its foundation in 2005. A time in which the brand’s creative collective has kept on growing and spreading art and culture through fashion, to reach 32 countries through its many points of sale and ecommerce. The celebration begins by sharing its anniversary with the whole World from Vigo, hometown of BIMBA Y LOLA: “FROM VIGO TO THE WORLD”

This is also a year to keep the building of a global brand by sustained investments, international expansion, launching of a new digital platform and, most importantly, continuous development of the team created 16 years ago by Uxía and María Domínguez, founders of the brand.
