## **BIMBA Y LOLA INCREASES ITS LOGISTICS CAPACITY BY INVESTING MORE THAN 7 MILLION EURO ON ITS DISTRIBUTION CENTER IN MOS**

Vigo, 29 April 2019

BIMBA Y LOLA continues to make progress on its strategic plan for international growth. In order to support the growth of its points of sale and e-commerce operations around the world, the Group is now going one step further, significantly increasing its logistics capacity in Galicia.

BIMBA Y LOLA is transferring its storage and distribution operations to a new logistics center located in Mos (Pontevedra), with an investment of more than seven million euro devoted to the modernization and automation of the facilities. Completion of this project is key to support a team that has increased its workforce by 16% last year.

In addition, all the Group's assets, personnel and logistics activities will be integrated into a new company: **BIMBA Y LOLA Logística S.L.**
